

What's new for 2022-2023??

Preschool is not a one size fits all experience, and our program is designed with that in mind. We offer a variety of classes, schedules and enrichment options so you can create a fully customized program that fits the needs of your child and family's schedule. If needed, our preschool staff will help you make a decision about which class is the best fit for your child.

Everything great about Kids First is still the same! There are more options to choose from! Our programs bring out the artist, the scientist, the thinker, the mathematician and more!

Note: If your child stays for the extended care/enrichment class (1:00 - 3:00) there will be a 30 min. Quiet time from 1:00 - 1:30 (longer for the younger kiddos if needed).

Preschool class options: 9:00 a.m. - 1:00 p.m.

1-2 year old (Must be 1 year by Aug. 1, 2022)

2/3 year old class (Must be 2 years by Aug. 1, 2022)

3/4 year old class (Must be 3 years by Aug. 1, 2022)

PreK class (Must be 4 years by Aug. 1, 2022)

PreK+ (Must be 5 years by December 1, 2022)

Enrichment class options: 1:00 p.m. - 3:00 p.m.

Spanish, Fun with Literacy, Foodie Fun, LitARTure

**Reminder early drop off (8:00 -9:00 a.m.) and
extended care (3:00 - 4:00 p.m.) available.**

Please note: Kids First will offer a PreK+ class instead of a Kindergarten for 2022-2023. PreK+ is for those children who are eligible for Kindergarten but need another year before entering elementary school.

2022-2023 Kids First Enrollment Information

Registration forms will be sent home the week of Feb. 28th and will be accepted beginning Monday, March 7, 2022.

Conferences with your current child's teachers are Friday, March 4th. You may turn in your registration form and fee any day during the week of March 7th, however placement will be on a first-come, first-serve basis. Please know class lists will be modified if needed. We will always do our best to accommodate all requests.

- Families currently enrolled at Kids First will be given the week of **March 7th - 11th** to register before we open enrollment to new families.
- We will fill any remaining spots beginning the week of March 14th. Therefore, if you plan to attend Kids First for the 22-23 school year, it would be beneficial to register the week of March 7th.
- You will receive confirmation of your child's placement when class schedules are finalized during the month of March.
- You will be notified of teacher assignments over the summer.

Each year is another opportunity for us to work closely as partners in educating your child. At a very young age, children have an infinite potential to absorb knowledge. Our curriculum is filled with opportunities to learn new skills, concepts, ideas - all building on children's natural curiosity and desire to learn. Our dedicated team of teachers, our fluent Spanish speaking teacher, our enrichment opportunities, our Kindermotion coach are just a few to mention. Our goal is to always look for ways to make Kids First the best it can be.

Most importantly, THANK YOU! Thank you for allowing Kids First to be a part of your child's early education experience. We love to teach them and inspire them to have a love of learning.
